

Teen Team | Information & Prices 2026

Children aged 15 to 17, that have **completed the Explosivo Academy program**, can join the free skiing course with supervision. The Explosivo Teen Team consists of groups of 5 to 10 participants, following a program of free skiing under the supervision of an instructor. The program includes technical improvement tips and an introduction to freestyle, freeride, and ski touring. During the six (6) courses, participants visit at least three different ski resorts, while two of the courses are combined into a unique two-day experience with overnight stay at the ski resort!

Program Cost:

- Six (6) courses without equipment: 380€
- Season-long equipment rental: 120€
- Additional course: 60€

Departures:

- according to the [SnowBus](#) schedule

The price includes:

- Safe transportation to the ski resorts with Explosivo's SnowBus
- Supervision and coaching by ski instructors with high technical and educational expertise, in groups of 5 to 10 participants, lasting 4–5 hours (depending on the destination)
- Full supervision of participants from the moment they board the bus until their return
- Lift pass for the ski resort
- Snack ([Miltos](#) sandwich, juice, cookies, water, chocolate wafer)
- VAT

The price does not include:

- the helmet which is a personal item, necessary for personal safety. There are special deals with affiliate stores for discount prices. Especially for children 4-5 years old there is the possibility to receive it together with the rental of the equipment.
- accommodation and meal expenses during the two-day trip
- the school's optional activities. During the Clean Monday period, optional excursions to ski resorts in Bulgaria ([Bansko](#), [Borovets](#), [Pamporovo](#)) are taking place, for which you will be informed by email.
